Company Profile

Here a few info about the Swiss Gotham Audio Organisation:

Gotham Swiss Audio organisation, history and background of 68+ years in the audio industry:

Gotham AG Switzerland was founded **1983** in Switzerland as a subsidiary/joint venture with **Gotham Audio Corporation NY USA (established in June 1958).** Gotham AG was first meant to act as European headquarter for the USA Gotham Export organisation, mainly acting as sales and marketing office in Europe for Gotham Export products like **Lexicon, Urei, Switchcraft** and many more **pro audio products**. In Summer 1985, Franz Ammann and his wife Manuela grew independent from the US operation by a management buy-out and started to develop the Swiss domestic business as distributor for Pro Audio products, Broadcast- MI- and Hi-Fi Products. The rights for the Gotham Audio brand and **Gotham Audio Cables**, manufactured in Europe, were transferred from the US operation to Gotham AG office as well (1985). Gotham Audio Corporation USA ceased activities in early 90ies and since then Gotham Audio operated by Gotham AG is globally run of the Switzerland global headquarters.
