Declaration ROHS III (2015/863/EU)

Subject: RoHS III Compliance Statement

Gotham Cables wire and cable products comply with the requirements of RoHS III (Directive 2015/863/EU), which expands the original RoHS directive by including four additional phthalates, bringing the total number of restricted substances to ten. Our products were already compliant with the original RoHS directive and remain compliant under the updated scope of RoHS II and III. All relevant materials used in our cables meet the maximum concentration limits defined in the directive.
